

## MULLET LAW WILL PROVE HARD

ic in Interior Will Soon be  
Deprived of This Species.

EFFECTIVE NOVEMBER 15

Act Provides That, After This  
Date, No Mullet Shall be Shipped in  
Florida, and Floridians Must Eat  
Other Fish or Nothing.

Mullet-eaters in this city and State  
had got all coming to them by the  
instant, which will be tomorrow, for  
the law preventing the shipping of this  
some member of the fishy tribe  
go into effect, and, if this law is  
applied with, it will be impossible to  
get a mullet in the interior for love  
or money. This will work quite a hard-  
ship on many who have been accus-  
tomed to feast on mullet regularly, but  
they must content themselves  
with other varieties, if they are com-  
pelled to eat fish.

For the past few years, from re-  
ports, this species of fish, which were  
caught in large numbers on the At-  
lantic and Gulf coasts, has rapidly dis-  
appeared, with the result that it is said  
they have become so scarce that the  
catching became alarming. This re-  
sulted in the introduction and passage  
of a bill at the last session of the Leg-  
islature preventing the shipment of  
mullet from any point in Florida.

The law, however, does not prevent  
the catching of mullet, which will not  
surprise residents of seaport towns from  
engaging in the industry for local de-  
mand, or using the fruits of their labors  
for their own homes.

The mullet industry has been a big  
thing for the fish dealers of Gaines-  
ville, since it has been the standard  
fish on this market for several years.  
The marketmen are very much provok-  
ed at the law, but will comply with the  
same to a letter and depend upon other  
fish to accommodate their custom-  
ers.

B. B. Burhans Testifies After Four  
Years.

G. B. Burhans of Carlisle Center, N.  
Y., writes: "About four years ago I  
wrote you stating that I had been en-  
tirely cured of a severe kidney trouble  
by taking less than two bottles of Fo-  
ley's Kidney Cure. It entirely stopped  
the brick dust sediment, and pain and  
symptoms of kidney disease disap-  
peared. I am glad to say that I have  
never had a return of any of those  
symptoms during the four years that  
have elapsed and I am evidently cured  
to stay cured, and heartily recommend  
Foley's Kidney Cure to anyone suffer-  
ing from kidney or bladder trouble."

GUNLIFFE GETS SIX YEARS.

Express Clerk Makes Statement and  
Asks for Clemency of Court.

Pittsburg, Pa., Nov. 13.—Edward G.  
Gunliffe, the express company clerk  
who on Oct. 9 stole \$101,000 from the  
Adams Express company's agency in  
this city, and whose flight and capture  
in days later attracted attention of  
the entire country, was sentenced by  
Judge James R. McFarlane in criminal  
court today to two terms of three  
years in the western penitentiary and  
two fines of \$100 each and all costs of  
the prosecution on two charges of lar-  
ceny, making a total term of six years'  
imprisonment.

When the prisoner was asked if he  
had anything to say, Gunliffe replied:  
"All I can ask is a little clemency  
for the sake of my poor family and  
mine. I was never before in any trou-  
ble and have always been honest and  
right, with a good disposition and  
my best efforts in the interest of  
my company. I don't know what im-  
pelled me to take the money. Five  
months after it was in my possession  
I could have gladly have put it back.  
I have always lived an upright life  
and do not know what possessed me to  
do the money."

When asked by the judge as to the  
probabilities of the rest of the money,  
Gunliffe said:

"I know no more about it than any  
other man in this court."

Gunliffe said when he told the co-  
rte that he had burned some of  
the money he did not say how much,  
but he did not know himself as he was  
laboring under great excitement at the  
time.

"I Thank the Lord"

Cried Hannah Plant of Little Rock,  
Ark., "for the relief I got from Dr.  
Rush's Arnica Salve. It cured my fearful  
wound, which nothing else would  
heal, and from which I had suffered  
for 6 years." It is a marvelous healer  
for cuts, burns and wounds. Guar-  
anteed at all drug stores 25c.

### OBJECT TO PROHIBITION.

Brewers Want President To Amend  
New States' Charters.

Washington, Nov. 13.—President  
Roosevelt was requested today to use  
his influence to prevent the insertion  
into the statehood charters of Okla-  
homa and Indian Territories of a pro-  
vision for the absolute prohibition of  
the manufacture and sale of intoxicat-  
ing beverages.

The question was precipitated dur-  
ing the discussion of the statehood  
measures in congress, and has aroused  
considerable comment throughout  
the country.

By appointment, a committee con-  
sisting of Representatives Overstreet  
of Indiana, and Albert Lieber, of In-  
dianapolis, a member of the United  
States Brewers' association, called at  
the White House and presented to the  
president a petition reciting numerous  
reasons why the prohibition provision,  
if incorporated in the organic act cre-  
ating the new states, should not ex-  
tend to beer and ales. The petition  
is signed by the 51 members of the  
United States Brewers' association,  
representing the largest brewing estab-  
lishments in the country.

### Pirating Foley's Money and Tar.

Foley & Co., Chicago, originated  
Honey and Tar as a throat and lung

for the genuine. These worthless im-  
itations have similar sounding names.  
Beware of them. The genuine Fo-  
ley's Honey and Tar is in a yellow  
package. Ask for it and refuse any  
substitute. It is the best remedy for  
coughs and colds. J. W. McCollum

Miners Make Known Their Faction.  
Philadelphia, Pa., Nov. 13.—A special  
from Shamokin, Pa., to the Telegraph  
says that an incomplete canvass of  
the Lackawanna, Schuylkill and Le-  
high coal districts shows the miners  
through their delegates to the United  
Mine Workers to be held here begin-  
ning Dec. 14, will refuse to be bound

award of the anthracite coal strike

constipation be present. Many serious

of President Castro; that is a mutual  
withdrawal of the notes exchanged  
with M. Taigny, French charge d'aff-  
aires.
